

ABOUT OUR PROGRAM

Personalized Learning is designed to meet the education needs of each student. This unique and relevant approach to education has evolved through the growing public charter school movement in California and has proven to help students learn, grow and discover their potential.

ACTIVITIES

- Classes
- Field Trips
- Assemblies
- Clubs
- Parent Club Sponsored Events

RESOURCE CENTER

Our Resource Center, situated at the north end of Ellis Lake, enjoys picturesque, peaceful surroundings. Its two beautiful courtyards host many classroom activities, school events, family study sessions and more.
