Our Motto

Personalizing Education for Student Success

Personalized Learning...

- provides a range of curriculum choices, attention to individual learning styles, and technology access, within and beyond the classroom to meet the individual needs of each student
- strongly encourages and supports parents to be actively involved in their child's education
- facilitates collaborative relationships between parents, students, teachers, the school, the greater community, and the state
- reduces class size, to generally no more than 15-20 students per class (classes optional)
- employs Highly Qualified Certificated Teachers
- helps the majority of C.O.R.E. School budget go towards the instructional benefit of our students
